

Merit Badge and Nova Award Prerequisites STEM Week 2019

The program at RSR is specifically designed to reflect the outdoor experience of camp. As a result, most merit badges and awards offered may be completed entirely at camp. In some cases, however, a requirement may be more easily or necessarily completed at home. In such cases the Scout is asked to bring evidence of completion for review by his or her counselor. We recommend that a Scout interested in earning the following badges or awards complete the following prerequisites before camp.
